

Welcome back to Kensington Valley Ice House!

We are excited to invite you back into our facilities! The Ice House staff will be working hard to make sure we have a safe environment for all that want to get back in the rink! The safety of our guests and staff members is always the number 1 priority. During this challenging time, we are taking extra steps to keep our facility clean. We will be disinfecting all areas that our guests frequently come in contact with. We ask that all guests help us make our return to skating and hockey a success by following the guidelines listed below.
